### Reply to "Notice of Non-Compliant Amendment (37 CFR 1.121)"

Dear Mr. Baoquoc N. To,

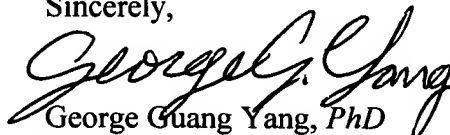

I sent my "Reply to Office Action" to you on June 4, 2007. This letter replies to your "Notice of Non-Compliant Amendment (37 CFR 1.121)" mailed to me on September 6, 2007. I have made the following corrections as you instructed:

1. I add the status identifier "Currently amended" to my Claims 1, 2, 6 & 7; and the "Previously presented" to my Claims 3, 4 & 5.

2. I make some minor plural verb and indefinite article corrections: (1) replace "modify", "update", "edit" with "modifies", "updates", "edits" in Claim 1(i)-(iii); (2) delete "the" and replace "assigns" with "assign" in Claim 1 (v); (3) replace "displays", "has" with "display", "have" in Claim 2; and (4) replace "The" with "A" in Claims 6-7.

Attached are the amended claims. I hope my amendment will satisfy your requirement. It has taken seven years now since I filed my patent application in your office on October 2, 2000, which has consumed more than one third of my productive years in my life. I request your office to approve and allow my patent application Claims 1-7 as soon as possible. Once my application is allowed, I will implement it as commercial software products to contribute to our society.

Sincerely,

  
George Guang Yang, PhD  
Inventor
